Further, this instruction applies to any announced and ad-hoc agenda items and procedural resolutions.						

3. Important notice regarding the use of this proxy form with instructions

3.1 What does the general instruction to vote in accordance with the Issuer's recommendations mean?

Instead of or in addition to a specific instruction on the individual agenda items, you may also instruct the proxies to always vote on all resolutions as recommended by the Issuer.

This means that, as a general rule, voting on an agenda shall be cast in favour of the Issuer's announced resolution proposal. If the Issuer issues a recommendation for a resolution on a countermotion made on an agenda item, the instruction means that the voting rights are to be exercised by the proxies in accordance with this recommendation.

If modifications of the announced resolution proposals occur due to countermotions or due to the Issuer's own amendments, the proxies will vote in favour of a specific resolution proposal or countermotion if the Issuer recommends before or during the noteholders' meeting that the noteholders approve such proposal.

This general instruction to vote in accordance with the Issuer's recommendations also applies to all announced and unannounced (*i.e.* only put forward during the noteholders' meeting and deemed admissible) agenda items and procedural motions, provided that the Issuer makes a recommendation as to how to resolve in this regard.

However, if you have issued both an individual instruction on an agenda item or a proposal for a resolution or a countermotion and a general instruction, the individual instruction will take precedence.

3.2 What should be observed with regard to the submission of the proxy and the enclosure of further documents?

Noteholders are requested to send the completed and duly signed proxy form and instructions to the voting proxies alongside with the special proof and blocking notice regarding the noteholder's ownership of the Notes issued by the custodian bank as early as possible by mail, fax, e-mail or by other means in text form (section 126b BGB) to the following address:

Furthermore, the voting proxy is not available to take any action at the meeting other than voting, in particular it will not submit motions or questions or make statements.
